

Bursary Application

About ACT Bursary Funds

ACT provides bursary funds from our own resources and through support from private donors. Anyone attending an ACT event is eligible if the cost is a barrier for attending the event. Priority is given to B.C. residents and to parents and participants who are low income or who are facing significant travel expenses in addition to the event registration fee. Bursaries are provided as reduced event registration fees. If you know someone who would like to donate to our bursary fund, please ask them to contact our office.

To Request a Bursary

Please fill out both sides of this form and email, fax or mail it to us prior to registering for the event, and at least a week before the event. Unfortunately we cannot grant all bursary requests, but we do our best. We will respond to you using the contact information you have provided.
